THE FLATWARE

BUCCELLATI IS FAMOUS FOR THE UNIQUENESS AND THE REFINEMENT OF ITS CREATIONS AND TODAY, AFTER MORE THAN A CENTURY OF ACTIVITY, THE LITTLE STORE IN VIA DEGLI OREFICI IN MILAN HAS BECOME ONE OF THE MOST IMPORTANT JEWELLERY AND SILVERWARE BRANDS, WITH BOUTIQUES IN ALL THE MAJOR CITIES OF THE WORLD.

FOLLOWING THE TRADITION THAT STARTED IN 1919 IN THE MILANESE "BOTTEGA" RUN BY MARIO BUCCELLATI - THE FOUNDER OF THE HOUSE -, SILVER-CRAFTING HAS EVOLVED UNTIL TODAY BY COMBINING TECHNICAL AND CULTURAL ELEMENTS, THUS CREATING TRUE WORKS OF ART.

BUCCELLATI FLATWARE HAS A WIDE RANGE OF MODELS, ALL WORKED WITH THE DESIGN AND THE PRODUCTION TECHNIQUES OF THE TRADITION, AND FOR EACH OF THESE MODELS, BUCCELLATI IS FOR SURE THE MAISON THAT CAN OFFER THE WIDEST RANGE OF PIECES; THEY ALL BECOME ESSENTIAL ACCESSORIES FOR AN ELEGANT TABLE SETTING, WHERE NOTHING MUST BE MISSING.

THE BORGIA, IMPERO, ESTEVAL, LAURA, MILANO, PARMA, TORSADÉ AND VERSAILLES SETS ARE REAL ICONS OF ELEGANCE AND STYLE, EACH ONE WITH ITS UNIQUE DESIGN, FROM THE MOST LINEAR ONE UP TO THE MOST ELABORATE ONE.

ALL OF THEM FOREVER WITH THE IMPRINT THAT MAKES EVERY BUCCELLATI OBJECT UNIQUE AND IMMEDIATELY RECOGNIZABLE, TRANSCENDING THE CURRENT FASHION TRENDS AND REMAINING UNABASHED IN TIME.

THE TAHITI SET CONCLUDES THE OVERVIEW OF STYLES AND BRINGS TO THE FORE A SPECIAL DESIGN, DATING BACK TO THE 60S AND STILL BEING OF GREAT VISUAL IMPACT AND EXTREMELY MODERN, THUS MEANING THAT THE REVIVAL OF TRADITIONS MATCHES WELL WITH THE EVOLUTION OF TIMES AND THE DRIVE TOWARDS THE FUTURE.

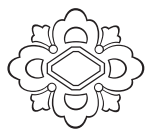

AND BUCCELLATI IS A MASTER IN THIS.
