TAHITI COLLECTION

TAHITI

THE TAHITI CUTLERY WAS CREATED IN THE '60S FROM ORIGINAL DRAWINGS BY BUCCELLATI AND UPON SPECIFIC REQUEST OF AN INFLUENTIAL ITALIAN INDUSTRIALIST, WHO ORDERED IT FOR HIS YACHT.

IN 2018, BUCCELLATI REVAMPED THE COLLECTION BY ADDING INTRIGUING NEW ACCESSORIES FOR THE TABLE AND HOME, THUS CREATING A TRUE LIFESTYLE THAT HAS ALREADY BECOME UNIQUE AND PRECIOUS.

THE COLLECTION NAME IS LINKED TO PAUL GAUGIN, WHO LIVED IN TAHITI DURING THE LAST PERIOD OF HIS LIFE, AND WAS VERY INSPIRED BY THE ISLAND FOR HIS PAINTINGS PORTRAYING THE WOMEN OF TAHITI AND ITS WONDERFUL LANDSCAPES. THUS, THE PRECIOUS CUTLERY SET IN SILVER AND BAMBOO EVOKES VISIONS OF AN ISLAND PARADISE, WITH THE POLYNESIAN NATURAL WONDERS, AND PROPOSES A COMBINATION OF HIGH ELEGANCE AND ECO-SUSTAINABILITY.

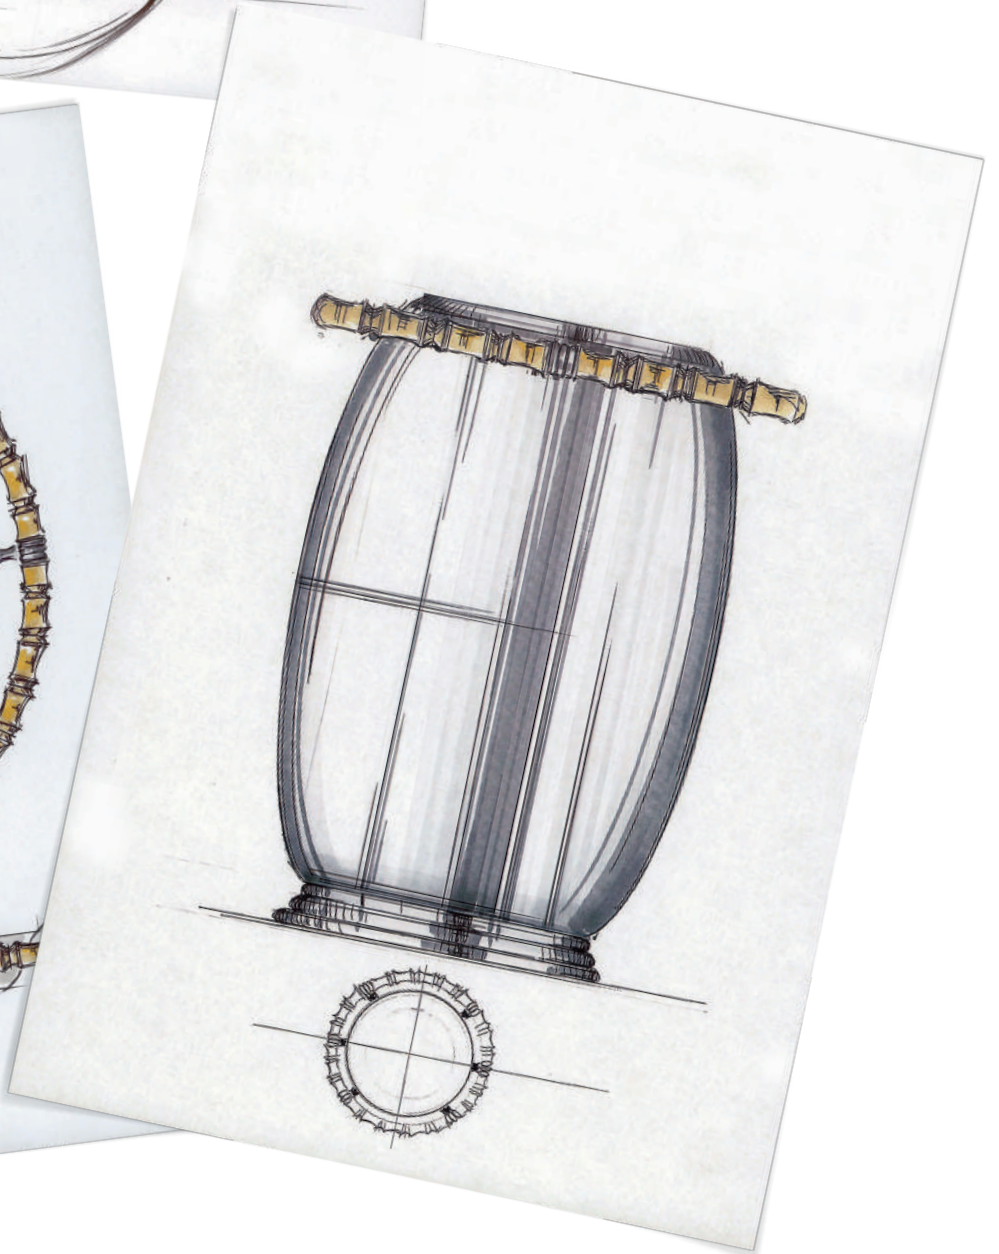

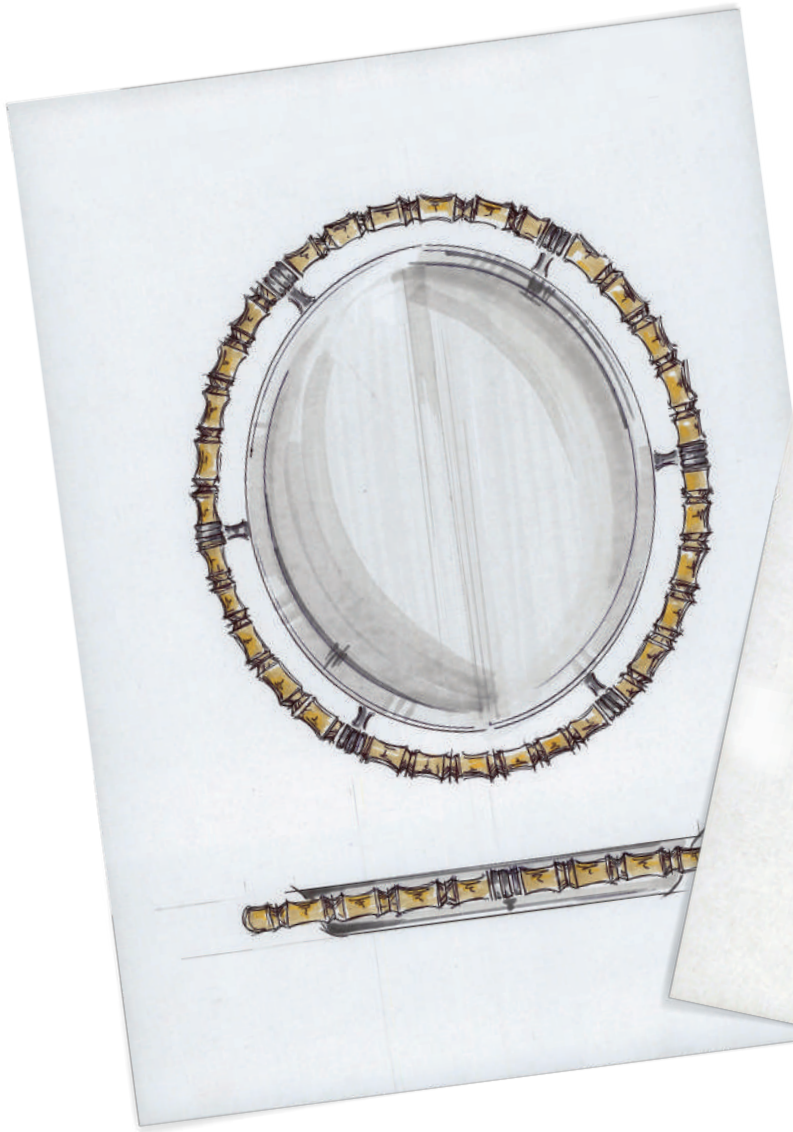

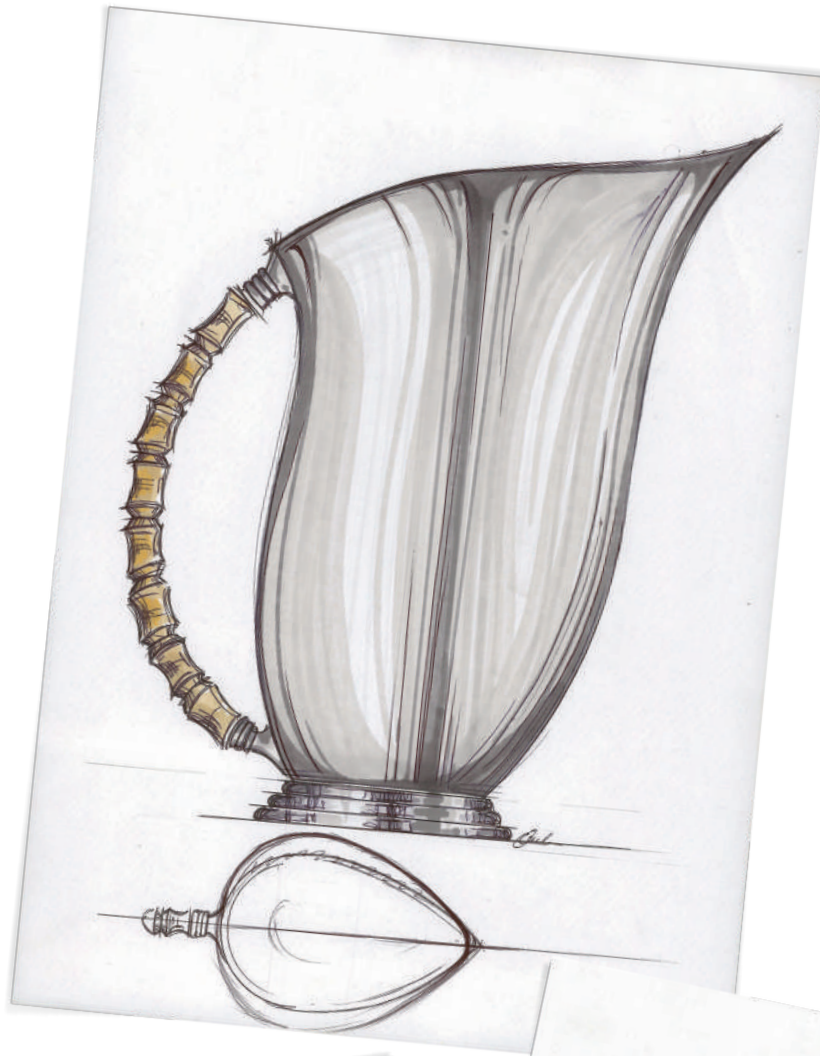

SINCE ITS CREATION, THE CUTLERY SET HAS BEEN AN INSPIRATION FOR MANY ACCESSORIES THAT NOW ARE PART OF THIS WONDERFUL COLLECTION: BOTTLE OPENERS, CORKS, JUGS, ICE BUCKETS AND TONGS, NAPKIN RINGS, TRUFFLE SHAVER, PLACEHOLDERS AND TRAYS WITH AN INTRIGUING DESIGN AND A PARTICULAR TASTE FOR HAND-HAMMERED SURFACES AND FOR INNOVATIVE CREATIVITY.

THE TAHITI DESIGN IS THE CONFIRMATION THAT AT BUCCELLATI EVERY CREATION HAS A TIMELESS BEAUTY AND PRESERVES ITS ELEGANCE AND REFINEMENT IN TIME. THEREFORE, THE REVAMPING OF PAST PATTERNS STILL HAS ITS GREAT APPEAL AND MODERNITY.

PAST, PRESENT, AND FUTURE BLEND TO CREATE A STYLISTIC CONTINUITY WHICH IS INVALUABLE TO BUCCELLATI.

ICE BUCKET AND BOTTLE COOLER
